

AN ORDINANCE ADOPTING THE KENTUCKY BUILDING AND RESIDENTIAL CODES FOR
SCOTT COUNTY, KENTUCKY

Ordinance Number 14-02

Sponsor:

WHEREAS, KRS 1988.060(1), requires that all buildings constructed in Scott County shall be built in compliance with the uniform state building code as adopted by the Board of Housing, Buildings and Construction; and

WHEREAS, KRS 198B.060(1) authorizes any city, county or urban county government to require by ordinance, permits, inspections and certificates of occupancy for single family dwellings; and

WHEREAS, KRS 198B.060(11) requires the local government to employ or contract for or with electrical inspection services; and

WHEREAS, KRS 198B.060(1) and 815 KAR 7:070 require a certified building inspector and other code enforcement personnel as necessary for inspection and code enforcement services;

WHEREAS, KRS 198B.060(18) authorizes each local government to establish a schedule of fees which are designed to cover the cost of the service performed but not to exceed such cost;

NOW THEREFORE, be it ordained by the fiscal court of county of Scott, Commonwealth of Kentucky as follows:

SECTION 1. ADOPTION OF THE KENTUCKY BUILDING AND RESIDENTIAL CODES.

THAT the Kentucky Building Code, promulgated in 815 KAR 7:120 and the Kentucky Residential Code promulgated in 815 KAR 7:125 by the Board of Housing, Buildings and Construction, Commonwealth of Kentucky, are to be enforced by Scott County as though set forth fully herein;

SECTION 2. DESIGNATED ENFORCEMENT OFFICER.

THAT the Georgetown-Scott County Department of Building Inspection shall be designated as the local enforcement agent/agency for said Kentucky Building Code and Kentucky Residential Code. All building code inspections shall be performed by persons certified by the Kentucky Department of Housing, Buildings and Construction. All electrical inspections shall be performed by persons certified by the Kentucky Department of Housing, Buildings and Construction as an electrical inspector.

SECTION 3. BUILDING INSPECTION PROGRAM.

THAT, pursuant to KRS 198B.060(8), a building inspection program is hereby established in Scott County for application to all buildings subject to 815 KAR 7:120 Kentucky Building Code.

THAT the building inspection program shall include plan review and inspections of structure subject to 815 KAR 7:125 Kentucky Residential Code

SECTION 4. PERMITS AND FEES.

THAT the fees for permits and inspections shall be as provided for in the attached schedules.

SECTION 5. INCONSISTENT ORDINANCES REPEALED.

THAT, if any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held invalid or unlawful by a court of competent jurisdiction, such portion shall be deemed separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

SECTION 7. EFFECTIVE DATE.

THAT this ordinance shall take effect and be in full force when passed, published and recorded according to law.

Notes: Definitions / Clarifications / Policies

1.	Accessory Structure: Accessory structures are Barns, Garages, Tool Sheds, Storage Sheds, Retaining Walls & other structures for residential use. One-story detached accessory structures 200 square feet and less does not require a building permit.
2.	Reinspection Fee: The first inspection of every type inspection, i.e. Framing, is included in the permit fee. A follow-up inspection would take place if a correction notice was issued by the inspector. This inspection is also included in the permit fee. If the correction notice remains deficient, then a second follow-up inspection is required at a cost of \$40 payable before the inspection is scheduled. The fee doubles for each follow-up inspection required.
3.	Types of Inspections: Footing, foundation, slab, framing & final.
4.	Fast Track Processing: An optional application & plan review process outside normal channels for time-sensitive projects. Requires an additional fee and can only be used on residential and sign projects.
5.	Flat Fee: A one-time fee for plan review, permitting, inspections and certificates of occupancy.
6.	Residential Square Footage Fees: A one-time fee for plan review, permitting, inspections and certificates of occupancy based on the number derived from measuring total floor space including the enclosing walls. (Out-side dimensions) and any porches. Includes unfinished basement, attached garage, 1st floor area, 2nd floor area, bonus rooms. In short – ALL AREAS UNDER ROOF.
7.	Commercial Square Footage Fees: A one-time fee for plan review based on the area of the building/project calculated from outside dimensions.
8.	Building Cost or Cost of Construction: The estimated total construction cost to complete the permitted project. Excluding the cost of land, lot or real estate.
9.	Building Cost / Fees: A one-time fee based on the estimated cost of the project, for permitting, inspections & certificates of occupancy. Does not include plan review fee.
10.	Refund Policy: 60% prior to 1st Inspection. After 1st Inspection all fees non-refundable.
11.	Application: A form that Building Inspection provides that must be completed and submitted, along with drawings and payment of fees.
12.	Permit: An official document issued by this department which authorizes performance of a specified activity. After approval of the application, drawings and payment of fees (submittal documents) the permit will be issued by this office.
13.	Permit Holder: The person or company, as listed on the application, responsible for the performance and completion of a permit.
14.	Plans or Application Revision: A change in Permit Holder, re-activation of a voided permit or a major change in plans / specifications.
15.	State Permit: A building permit issued by the KY Dept. of Housing, Buildings & Construction. A local building permit is always required in addition to the state permit.
16.	Land Disturbance Permit: Essentially a grading permit outlining erosion & sediment control measures. Applies only inside the City limits of Georgetown on projects disturbing 5,000 square feet or more of soil.
17.	Farmstead exemption: Farm dwellings and other buildings located on farms which are incident to the operation of the farm and located outside the boundary of a municipality, but only if not used to house retail trade, as a regular place of work for 10 or more people or the processing or storage of farm products.
18.	Expedited Certificate of Occupancy (C.O.): C.O.'s may be ready for pickup at the end of the next business day, following an approved final inspection. This service is included in the price of the permit. However, this process may be expedited by the payment of a \$25 fee.
