Section 17. APPEALS PROCESS:

Any person aggrieved by an order or determination of the Examining Board of Electricians may appeal therefrom to the Appeals Board of Electricians. Said appeal shall be taken by filing written notice thereof with the Examining Board of Electricians within ten (10) days of the entry of the order of determination appealed from. The Appeals Board of Electricians may affirm, reverse or modify any order or determination of the Examining Board of Electricians. Any order or determination of the Examining Board of Electricians shall become final after expiration of time for appeal unless notice of appeal shall have been filed within said time, in which event said order or determination as affirmed, reversed or modified shall become final upon entry of the decision of the Appeals Board of Electricians.

Section 18. AUTHORITY OF ELECTRICAL INSPECTOR AND FIRE CHIEF TO DISCONNECT SERVICE:

Upon complaint by occupant or request by owner, the Electrical Inspector shall inspect existing wiring for conformity with the National Electrical Code. Upon finding a code violation, which creates a threat of bodily injury or property damage, the electrical inspector shall notify the owner that he or she has thirty (30) days in which to correct the violation. The Inspector shall provide reasonable assistance to the owner in effecting the corrections. If at the end of thirty days the owner has not made substantial progress toward the correction of the violations, the Inspector, without further notice, may cause the service to the building to be disconnected until corrections are made.

Upon finding a code violation which creates an imminent threat of serious bodily injury or substantial property damage, the Electrical Inspector may waive the thirty (30) day period for correction and upon notice to the owner, cause the service to the building to be disconnected until corrections are made. The Inspector shall provide reasonable assistance to the owner in effecting the corrections.

The Chief of the Scott County Fire Department, or some other competent person designated by him, shall have the authority, in cases of emergency, to cause the turning off of all electrical currents and to cut or disconnect any wires carrying such electrical currents where there is a danger to life or property or where such wires interfere with the work or progress of the Fire Department in fighting fires.
